

# APPLIANCE ASSESSMENT WORKSHEET

## Instructions:

Go on a hunt for Energy Monsters. It's like a Scavenger Hunt, but the surprise is in the fridge! Investigate all the fridges or freezers you find at your school by answering these questions. Follow the Answer Key to find out if you have any Energy Monsters! Energy Monsters will have an **X** in two or more places. Can you take action to change the score and waste less energy?

Questions:	Appliance #1	Appliance #2	Answer Key
